Logan Village Cricket Club (Kookaburras) 2007/2008

### ***Our History***

Logan Village Cricket Club was formed back in the 1920s, but sadly folded for a long time. However, it was reformed in 1977 and its second wind is going strong after 30 years!

After playing on concrete for three years, we moved to our current location at Newstead Park. In the early days we had one team and we've proudly grown to five men's teams and one junior team since then.

### ***Our Success***

Originally part of the Beaudesert competition, we qualified for the grand final in the second season that we competed. After this success, we made the grand final again in 1984 after moving to the Beenleigh competition. All grades continued in the Beenleigh competition until 2002, at which time the 1<sup>st</sup> and 2<sup>nd</sup> grade teams entered the Gold Coast grade competition, currently known as the Gabba Sporting Products Cup (GSP Cup). In 2004 our 1<sup>st</sup> grade team was successful in making the semi-finals.

Since 2002, our 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade teams have competed in the Beenleigh competition, with the 4<sup>th</sup> grade boys winning the premiership last season.

We have been lucky to be able to provide players to the Queensland Country teams and also the Australian County teams – Jason Stein has been at the club for five years and has been our most successful player to date. Please review Jason's playing resume at the Queensland Cricket website - <http://cricketarchive.com/Queensland/Players/35/35036/35036.html>.

## ***Our Commitment***

We proudly boast what are considered to be the best playing facilities in the Gold Coast competition. We have a great team of dedicated volunteers that help us keep moving forward – without the support of these very generous people Logan Village Cricket Club would be unable to provide such quality facilities or such a great team environment.

Junior cricket is a strong priority for Logan Village and we're continually supporting the juniors in our local area, hoping to have two teams for the next season.

The juniors had a great last season with Queensland Bulls player Aaron Nye handing out the trophies on presentation day. And we're very happy to confirm the presence of Aaron at training sessions next season, with the possibility of other Bulls players coming to help the kids out.

Logan Village is on the lookout for a high profile coach that can help us move to the next level and hopefully bring home a premiership in the next few seasons.

## ***How You Can Benefit***
